PrePay and Save!

- Prepaid bus tickets can be used on all Sydney Buses regular services.
- PrePay multi-ride tickets can save you 20% or more compared to single ride tickets.

Hint: A 1-2 section Blue TravelTen can be used for longer bus trips by dipping the ticket multiple times. Just ask the driver how many dips are required. This is not the cheapest option but may be a convenient option if you travel infrequently.

PrePay tickets include:

TravelTen

- Ticket with 10 rides – saves 20% compared to single ride tickets.
- Can be kept indefinitely – expires only after all 10 rides have been used.
- Can be used to pay for a companion – just dip your ticket the number of times required for the trip, for each person travelling.
- Different types are available depending on the number of sections travelled.
- Concession TravelTens are available only to holders of a student card or NSW Transport Concession Card featuring a transport foil.

TravelPass (Weeklies)

- Ideal for trips that require frequent travel by train, bus or ferry or a combination of these transport modes.
- Unlimited travel* (including transfers) over seven consecutive days on Sydney Buses, CityRail and Sydney Ferries regular services within the zones covered by the ticket.
- Different types are available depending on zones covered and the modes of transport used – bus, train and ferry or bus and ferry.

Quarterly and Yearly TravelPasses

- If you work or study and use public transport regularly, you can save more money by buying a Quarterly TravelPass (13 weeks travel for the price of 11) or a Yearly TravelPass (52 weeks travel for the price of 40).
- These TravelPasses are by application only. For details visit www.131500.com.au or phone Transport Info on 131500.
- Quarterly and Yearly TravelPasses will feature the customer's name and are for use by the customer only.
- Lost or damaged passes can be replaced for a fee.

Single Ride Ticket

- Prepaid single ride tickets are available for one off trips.
- If you are planning a return trip, buy two single tickets or consider using a TravelTen. Remember TravelTen tickets save 20%, can be used to pay for an accompanying friend and do not expire until all ten rides are used.

Hint: Keep some single ride tickets in the office for business trips. 1-2 section tickets are valid for all trips within the CBD.

Pensioner Excursion Ticket (PET)

- Unlimited all day travel* on Sydney Buses, Newcastle Buses and Ferries, Sydney Ferries, CityRail and participating private buses around Sydney, Newcastle and outer metropolitan areas.
- Only holders of valid pensioner senior concession/authority cards can use this ticket.
- Prepaid PETs are sold at ticket outlets or TransitShops in the City.
- Prepaid PETs can be purchased well ahead of travel, becoming active on the day of use - except tickets purchased from CityRail ticket offices which are active from the day of purchase.

***Note:** Excludes travel on Explorer buses, ferry cruises, special event, charter or private buses.

A separate station access fee is payable for all travel to stations on the Airport line including International, Domestic, Mascot and Green Square.

Where to buy your ticket

Ticket outlets

- Tickets are available at over 140 ticket outlets in the CBD and around 900 outlets throughout Sydney. Look for the purple flag and PrePay sign.
- Please refer to the map overleaf for ticket outlet locations in the vicinity of Elizabeth Street, Macquarie Street and Eddy Avenue.

Hint: Please visit www.sydneybuses.info for a full list of ticket outlets across the Sydney Buses network, or pick up the Ticket Outlet Guide from a TransitShop.

Note: Ticket outlets are independently run businesses and have their own trading practices. Some outlets apply an additional fee on EFTPOS and credit card transactions.

CityRail ticket offices

Most CityRail ticket offices sell TravelTens and weekly TravelPasses valid on Sydney Buses services. Pensioner Excursion Tickets and Weekly TravelPasses sold at CityRail ticket offices are active from the day of purchase.

TransitShops

All Sydney Buses tickets can be purchased at any of the four Sydney Buses TransitShops located in the City at:

- Circular Quay – cnr Loftus and Alfred Streets: Mon-Fri, 7am-7pm; Sat-Sun, 8.30am-5pm
- Wynyard Station – Carrington Street entrance: Mon-Fri, 7am-7pm
- QVB – York Street near bus stand C: Mon-Fri, 7am-7pm
- Railway Square – cnr George and Lee Streets: Mon-Fri, 7am-7pm

Hint: Look for Sydney Buses mobile ticket sellers in the St James, Liverpool Street and Eddy Avenue areas.

The PrePay network

The Sydney Buses PrePay network continues to expand with the conversion of bus stops along the Elizabeth Street corridor, including Macquarie Street and Eddy Avenue, to PrePay-only on 22 June 2009.

PrePay-only in the CBD already extends to bus stops:

- on Carrington, York and Clarence Streets at Wynyard;
- on George Street, from the railway overpass at Circular Quay in the north to Railway Square (including Lee Street) in the south;
- in the QVB precinct which includes York, Druitt and Clarence Streets; and
- along Pitt and Castlereagh Streets and the broader Circular Quay area.

The conversion of bus stops in the CBD to PrePay-only follows the successful conversion of 42 routes and 25 bus stops across the Sydney Buses network.

For a full list of PrePay-only routes, bus stops and interchanges visit the Sydney Buses website at www.sydneybuses.info

Use the right ticket

- Revenue Protection Officers travel on Sydney Buses frequently.
- On the spot fine of up to \$100 or a court-imposed fine of up to \$550 applies for not having a ticket, using the wrong ticket, over-riding or using a concession ticket without a valid concession or authority card.
- For the right ticket to your destination, visit www.131500.com.au or phone Transport Info on 131500.

Take care of your ticket

- Except for faulty tickets, Sydney Buses does not replace damaged (folded, torn) tickets.
- CityRail issued tickets are active from the date purchased. Tickets issued from other outlets only become active when first used. If you have purchased multiple tickets please keep the unused tickets separate from the ones you are using to avoid confusion.
- Please take note when using your Pensioner Excursion Ticket on CityRail services because the validity date is not printed on the back when inserted in the station's automatic gates.
- TravelTen tickets are active until all ten rides have been used.

Please dip your ticket in the green ticket machine each time you board the bus.

Lost property

Keep your bus ticket for a record of the bus route, time and direction of your travel. This will help track your lost property item. Please phone 131500 for any lost property enquiry.

Trip planning and fare information

The Transport Info website www.131500.com.au has a trip planner and fare information links to help you plan your trip and calculate the fare on buses, trains and ferries.
